Who should I send this to for review? Everyone or just the confirmed ones?

Subject: list of special agency reviewers

Good morning, Karen! :-) Glenn has asked me to respond to your email requesting the updated list of reviewers. I have attached two spreadsheets. The first one has two worksheets, one for the agency review committee and one for the interagency reviewers. The second spreadsheet is a duplicate of the original agency review committee with any updates I was sent for this round noted in the "confirmed" column with an "X". Please let me know if you have any questions.
